Live Well San Diego Partnership,

The California Veterans Legal Task Force (CVLTF) Executive Committee requests consideration of CVLTF as a Live Well Partner. The mission of California Veterans Legal Task Force is to provide superior free legal assistance to indigent veterans in San Diego County who are overcoming mental trauma and encountering legal obstacles that lead to homelessness, unemployment and crime. Our services remove barriers, empowering them to seek and adhere to mental health treatment and moving them forward to create the life they desire.

The Mission of CVLTF aligns perfectly with Live Well's commitment to support healthy, safe and thriving communities. CVLTF also aligns with the Live Well Partner philosophy by providing our Veterans Legal and Referral Clinic (VLARC) in both the Escondido and National City MVRC's. CVLTF has been honored to have the County of San Diego involved since the start of this innovative program. The Live Well initiative is the perfect "next step" in building and expanding these positive partnerships to ensure San Diego County is providing the best support in the nation for our transitioning military families.

Sincerely,

Barry Wilson
CVLTF Board President
