- **San Diego Children and Nature** supports *Live Well San Diego*.

"*Live Well San Diego* is the County of San Diego's vision for a region that is Building Better Health, Living Safely and Thriving. While it began in 2010 as a health strategy, it has evolved into a greater vision to improve the health, safety and well-being of all County residents. *Live Well San Diego* involves everyone. Only through a collective effort — in which all of us work together toward a shared purpose — can meaningful change be achieved in a region as large and diverse as San Diego County."
