

A DIVISION OF NATIONAL VETERANS TRANSITION SERVICES INC.

May 31, 2016

Live Well San Diego Partnership,

The **National Veterans Transition Service, Inc. (NVTSI) aka REBOOT** Board of Directors requests consideration of **NVTSI as a Live Well Partner**. **NVTSI's Mission** is to help veterans successfully transition from the battlefield to the home front. **Our Vision**: To see all veterans achieving, within their potential, their goals in the transition domains of: employment and career, education, living situation, personal effectiveness/wellbeing, and community-life functioning (Holistic Reintegration): align perfectly with Live Well's commitment to support healthy, safe and thriving communities.

NVTSI/REBOOT also aligns with the Live Well Partner philosophy by being *Influential, Going Above and Beyond, Measuring Progress, and Being Forward Thinking.*

NVTSI is proud to be a partner in the implementation of the County's two new Military & Veterans Resource Center's (MVRC's) and to have been a County long-time partner via the San Diego Veteran's Coalition board since 2011. Thanks to our partnerships and collaborations, San Diego has become a model for the rest of the nation with notable best practice veteran services like the REBOOT Workshops™ that have gained White House attention and are being replicated in cities across America. The Live Well initiative is the perfect "next step" in building and expanding these positive partnerships to ensure San Diego County is providing the best support in the nation for reintegrating our transitioning military, veterans and their families.

Sincerely,

Jim Wong, Capt., USMC – Chair
