Board Resolution

Whereas, the mission of the San Diego Workforce Partnership is to fund job training programs to empower job seekers to meet the current and future workforce needs of employers in San Diego County. Designated by the City and County of San Diego, SDWP is the Workforce Investment Board for the region.

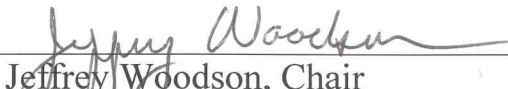

Whereas, the San Diego Workforce Partnership is committed to building a strong workforce together with community partners, by providing targeted employment services designed to help eligible adult job seekers identify, or regain, a career that will promote their success.

Whereas, the San Diego Workforce Partnership commits to training our future workforce by preparing youth for high school graduation, post-secondary education and, ultimately, a career by funding youth programs that provides work-readiness training.

Whereas, the San Diego Workforce Partnership studies regional data and serves as a vital source of information on the region's labor market. This data informs job seekers, career counselors, trainers and educators about what employers are looking for in the current and future labor force.

Whereas, by becoming a partner, the San Diego Workforce Partnership will have the opportunity to collaborate with the network of Live Well San Diego champions and partners to develop and implement creative solutions to regional workforce issues and fuel economic growth and prosperity through research and community engagement.

BE IT RESOLVED that the Board of Directors of the San Diego Workforce Partnership approves the partnership with the County of San Diego's Live Well Program during the meeting occurring on Wednesday, May 6, 2015.
